Another hollow face
Another dreamless state
Another whispered cry
A love that's died
A hollow face

Another diamondback girl
Another death in the world
Another open wound
A bleeding smile
A diamond girl

Another demon heart
I've got to kiss it quick
'Cause if I linger too long
My soul is gone
A devil denied

Oh, it's on
With a hint of her blood, she goes
Oh, it's on
With the speed of a gun, she's off

Another dead embrace
A big kiss of mace
Another rush of hell
Makes me start to swell
Another dead embrace
Another dead embrace

Oh, it's on
With a hint of her blood, she goes
Oh, it's on
With the speed of a gun, she's off

A glance of evil grace
A look of mock disgrace
Another soulless dance
Where minds collide
Another devil denied
Another devil denied

Oh, it's on
With a hint of her blood, she goes
Oh, it's on
With the speed of a gun, she goes

Oh, it's on
With a hint of her blood, she goes
Oh, it's on
With the speed of a gun, she goes
