Yeah

Sold into slavery down in New Orleans
Goddess of the bayou light
Black dog's head on the killing bed
Severed and left to bleed

There on fire in the corner of the world
There in misery
There on fire in the corner of the world
Left for God to see

Do you want to take a life?
Do you want to cross that line?
'Cause it's a long way back from hell
And you don't want to go away yeah

Poison father of the human race
God of the tainted blood
Malevolence sneaking up the spine of the world
Ready for the bastards son

There on fire in the veins of man
There in misery
There on fire in the veins of man
Left for God to see

Do you want to take a life?
Do you want to cross that line?
'Cause it's a long way back from hell
And you don't want to go away yeah

Do you want to take a life?
Do you want to take a life? Yeah
Do you want to cross that line?
Do you want to cross that line?
Want to cross that line

Sold into slavery down in New Orleans
Goddess of the bayou light
Black dog's head on the killing bed
Severed and left to bleed

There on fire in the corner of the world
There in misery
You start faintin' in the mirror on your look
Left for God to see

Do you want to take a life?
Do you want to cross that line?
'Cause it's a long way back from hell
And you don't want to go with me
And it's a long way back from hell
And you don't want to go
