Not of this world  
And nothing bites like I do  
Nothing screams out loud  
In this empty night  
Nothing can keep me from you

And you think that you know  
The reason I'm alive  
Truth is you only  
Know the lies

Not of this world  
And nothing can hold it back  
I am the dawn upon your bloody beach  
Come to pass

Not of this world  
For I am nothing known  
When the seasons shift  
They call my name  
To carry me home

And you think that you know  
The reason I'm alive  
Truth is you only know the lies  
And I feel all the things  
You could never understand  
Choose where you stand  
Am I mortal  
Are you  
Man

Not of this world  
Nothing bites like I do  
Nothing screams out loud  
In this empty night  
Nothing can keep me from you

Choose where you stand  
Am I mortal  
Are you  
Man

Yea

Not of this world  
For I am nothing known  
When the seasons shift  
They call my name  
To carry me home
