No one knows my name  
Where I come from  
No one sees my face  
Sees me coming  
You can never hide  
If I want you  
You can't even try  
Keep from crying

Oh oh oh  
I wish you could  
Coming in your home  
I wish you could  
Coming in your home  
I wish you could  
I'm comin' in your home  
I wish you could

No one sees my face  
Sees my pain  
No one can see my shape  
In the shadows  
You can feel the dark  
When it's stalking  
I can slip right in  
Whenever I want you

I'm coming in your home  
I wish you could  
I'm coming in your home  
I wish you could

I'm coming in your hole  
I wish you would  
I'm coming in your hole  
I wish you could  
Yeah

Oh oh oh  
I wish you could  
I'm coming in your home

I wish you could  
I'm coming in your home  
I wish you could

I'm coming in your hole  
I wish you would  
I'm coming in your hole  
I wish you would

I'm coming in your home  
I wish you would  
I'm coming in your hole  
I wish you would

I'm coming in your hole  
I wish you would  
I'm coming in your hole  
I wish you could  
I'm coming in your home
