Yea, yea, yea
Ooh
I can feel it move me
Feel it shove me
As I break the law
Said yea
I can feel it's jabbing
Cuts the numbness then I
I come alive yea

Twist of cain
Yea drives my brain
Yea twist of cain
Make me come alive
'Cause it does

Yea twist of cain
Yea drives my brain
Yea twist of cain
Make me come alive

Said yea
I took it standing
Broke commandments
And he tumbled like a toy
Blood
Like a crimson highway
Spreading out
From his forehead to the ground

Twist of cain
Yea drives my brain
Yea twist of cain
Make me come alive
Cause it does

Yea twist of cain
Yea drives my brain
Yea twist of cain
Make me come alive
Wo-oh, yea

Wo-oh God above
Feel a twist of cain
Inside a beating heart, well
Wo-oh
Wanna know
Got a little twist of cain
From the God below, yea

Yae
I know my breeding
Know my father
He was born of light
Said yea
Can't hardly stand it
Cuts me down the middle
Then I
I come alive yea

Twist of cain
Yea drives my brain
Yea twist of cain
Make me come alive
Cause it does

Yea twist of cain
Yea drives myt brain
Yea twist of cain
Make me come alive
Come alive
Wo-oh, yea

Wo-oh
God above
Feel a twist of cain
Inside a beating heart, yea
Wo-oh
Wanna know
Got a little twist of cain
From the God below

Wo-oh, wo-oh
Feel a twist of cain
Inside a beating heart
Wo-oh, wo-oh
Got a little twist of cain
From the God below, yea
