enter those eyes, split back opals  
there, within eros is manifest  
dark and light soul, sworn to no one, both  
it's your game and you know it

I like it lots now, I like you better  
walking your catgirls in leashes and leather  
I watch you curl up into a circle  
symbol of eternity, wicked pussycat

six-foot pussycat  
five-pointed star-tail  
five-pointed star-tail

six-foot pussycat, I like the way you swing your tail  
big black witch cat, yes, you cast a real strong spell  
feline succubus, got your fangs inside her throat  
wicked pussycat, got your girl-slaves all in tow

I like it lots now, I like you better  
walking your catgirls in leashes and leather  
I watch you curl up into a circle  
symbol of eternity, wicked pussycat  
six-foot pussycat  
evil  
five-pointed star-tail  
five-pointed star-tail

six foot oni cat, I like the way you lick your fur  
evil kittykat, what's it take to hear you purr

I like it lots now, I like you better  
walking your catgirls in leashes and leather  
I watch you curl up into a circle  
symbol of eternity, wicked pussycat

evil pussycat  
five-pointed star-tail
