You and me, we were there  
Through the best and worst of the years  
How i wish it was then  
And you were still right here with me

But how can you bring back the dead  
And try to tell me you're sorry  
How can you live with yourself  
Knowing

Got to be a friend again  
Forgive me, can't you see me in your darkness  
I'm feeling lonely, less than zero

You and me, we were tied  
How i miss that feeling now  
All our lives, all this guilt  
I must feel it till the end of time  
Oh

But how can you bring back the dead  
And try to tell me you're sorry  
How can you live with yourself  
Knowing

I got to be a friend again  
Forgive me, can't you see me in your darkness  
Feeling lonely, less than zero

Now, come on, come on, yea

(got to be a friend again  
Forgive me, can't you see me in your darkness  
Feeling lonely, less than zero)

You and me  
We were  
Oh, how could we let our friendship end  
All our lives  
We were free  
We were

Come on, come on, come on, come on, friend

(got to be a friend again  
Forgive me, can't you see me in your darkness  
Feeling lonely, less than zero)

You and me  
We were  
How could we live through sorrow  
All our lives  
We were free  
We were  
Woah oh, ooh
