We want the best of both worlds
We want it slow and hot
We like to taste revenge, yeah
But we can't waste the shot

We want to see from both sides
We like it cool and fast
We want to get it over
We like to make it last

Two and one
Fast and slow girl
The best of both worlds
Double fun
We'll make the most, girl
To get the best of both worlds

We must obey the law
What good's a place
To stand up
Without a place to fall?

Back and forth
Fast and slow yeah girl
The best of both worlds
South and north
I'd like to now propose a toast
To the best of both worlds

I think about the war that is no fight at all
I think about the peace that is a fight for all
The best of both worlds
Keep it on

Two and one
Fast and slow girl
The best of both worlds
Tight as a drum
Loose as a gun holster
Yeah, it's getting closer

Why do we waste our breath, child

On what we like the most?
Seein' as we've wound up here
We ought to do them both

Back and forth
Fast and slow yeah girl
The best of both worlds
South and north
I'd like to now propose a toast
To the best of both worlds

Two and one
Fast and slow girl
The best of both worlds
Double fun
We'll make the most girl
To get the best of both worlds
