She's only testin' her wings and if you give in to her  
You'll be just another feather in her cap  
She'll drop you in a flash  
She's castin' a spell  
Well, if she's castin' a spell  
I can cast one as well

She's castin' a spell  
She's castin' a spell  
Well, if she's castin' a spell  
I can cast one as well

So I said, "No, no, no, I ain't fallin' for this"  
This girl is built to tease  
She's only testin' the efficiency of her kiss  
She's castin' a spell  
Well, if she's castin' a spell  
I can cast one as well

She's castin' a spell  
Well, if she's castin' a spell  
I can cast one as well

She wants to check out  
How you check out on her test bed?  
Will you get in her book or will you go right to her head?  
She's castin' a spell  
Well, if she's castin' a spell  
I can cast one as well

And so I cast it right back on her  
Don't you know my luck?  
She fell under the influence and then the thunder  
struck  
We're castin' a spell  
Now we're castin' a spell  
You can cast one as well

She's castin' a spell  
She's castin' a spell  
She's castin' a spell  
She's castin' a spell

Now we're castin' a spell  
You can cast one as well

She's castin' a spell  
She's castin' a spell  
She's castin' a spell  
Now we're castin' a spell  
You can cast one as well

She's castin' a spell  
She's castin' a spell
