Disturbing behavior on the common front
Disturbing behavior on the common front
She want perfect behavior out of everyone
Disturbing behavior on the common front

She's got a bone to pick with you
And you don't know what to do
She says, "Your cheating days are through"
And you know what you can do

Ohh, all disturbing behavior on the common front
Impropriety got the best of me
Impropriety got the best of me
Ohh, all disturbing behavior on the common front
She want perfect behavior out of everyone

She's got a bone to pick with you
And you don't know what to do
She says, "Your cheating days are through"
And you know what you can do

Ohh, all disturbing behavior on the common front
Ohh
Impropriety got the best of me
Impropriety wrote my destiny
Ohh, all disturbing behavior on the common front
And she want perfect behavior out of everyone

She's got a bone to pick with you
And you don't know what to do
She says, "Your cheating days are through"
And you know what you can do

Ohh, all disturbing behavior on the common front
Disturbing behavior on the common front
She want perfect behavior out of everyone
Disturbing behavior on the common front
Outrageous behavior convinces everyone
