I got dreams, dreams to remember
I got dreams, dreams to remember

Honey, I saw you there last night
Another man's arms holding you tight
Nobody knows how I felt inside
All I know is I walked away and cried

I got dreams, dreams to remember
(Dreams to remember)

I know you said, he was just a friend
But I saw you kiss him again and again
These eyes of mine they don't fool me
Why did he hold you so tenderly?

I got dreams, dreams to remember
(Dreams to remember)
I got dreams, dreams to remember

I still want you to stay
I still love you anyway
I don't want you to ever leave
Girl, you just satisfy me, ooh, wee

I know you said, he was just a friend
But I saw you kiss him again and again
These eyes of mine they don't fool me
Why did you hold him so tenderly?

I got dreams, dreams to remember
(Dreams to remember)
[Incomprehensible] dreams, don't help each other
(Dreams to remember)
Bad dreams, [Incomprehensible]
Dreams to remember
(Dreams to remember)
(Dreams to remember)

(Dreams to remember)
Dreams to remember
Dreams to remember

Dreams to remember
