Wave goodbye from out of the window  
Good, no trouble starting the car  
Time for just one more cup of coffee  
You know the housework won't wait

Where to start now? Time to get going  
The housework keep you feeling alive  
Clear the plates and wash up the dishes  
Rrr! Let's go, now the bedroom

Make the bed and fluff up the pillows  
The housework make you happy  
Shake the rug and open the windows  
The housework keep you feeling alive

Close the drawers and tidy the closet  
The housework keep you going  
Throw the dirty clothes in the hamper  
Rrr! Let's go, looking better  
Rrr! Let's go, get the vacuum

'Round the carpets, under the table  
The housework make you happy  
Dust the shelves and polish the glass-ware  
The housework keeps you feeling alive

Make some lunch and take out the garbage  
The housework keep you going  
Pay the bills and get the dry cleaning  
Rrr! Let's go, time for shopping

Bread and milk and plenty of groceries  
The housework make you happy  
Get some cash out of the dispenser  
The housework keep you feeling alive

Don't forget to stock up the freezer  
The housework keep you going  
Get some wine for later this evening  
Home by five, now the kitchen  
Rrr! Let's go, make the dinner

Get the roast into the oven  
The housework make you happy  
Peel the veg and then set the table  
The housework keep you feeling alive

Refreshen up and put on some music  
The housework got your dancing  
Light the candles, there goes the doorbell  
Rrr! She's home, perfect timing

Welcome back, dear, how did your day go?  
The housework's nearly over  
How about an aperitif, dear?  
I'll get the dinner, you open the wine

Pass the salt, you want more potatoes?  
No more housework  
Leave the dishes until tomorrow  
Rrr! Let's play
