It's crazy but I'm frightened of the sound of the  
telephone

Oh yeah -  
And I worry 'bout the caller that I wanna lose.  
Oh my -  
Who knows if there were enough where the money  
goes

Oh yeah -  
No doubt we could put it to a better use.  
Oh my -

You've been insisting that nobody showed you how to  
keep relationship  
Oh yeah -  
Your Daddy made the river dry

Oh my -  
You say you know all along you can work it out.  
Oh yeah -  
Do you have to make a fuss every time we fight?

Ooh  
I'm looking for clues

I'll have to make an effort just to be serious.  
Oh yeah -  
Nobody's gonna live in the first place of the night

Oh my -  
Every time I pick the paper up it's harder to believe the  
news

Oh yeah -  
I'm gonna have to shake it up and twist and shout.  
Oh my -

You can't do nothin' that you don't put your money to

Oh yeah -

I suspected all along you were a tricky fool.  
Oh my -  
I'm never in the dark as my heart keeps me well  
informed

Oh yeah -  
I'm convinced there is a way of gettin' through to you.  
Ooh  
I'm looking for clues -

It's crazy but I'm frightened by the sound of  
relationships

Oh yeah -  
I swear we could put it to a better use.  
Oh my -  
Oh honey  
maybe you've forgotten how to catch a night move

Oh yeah -  
You told all the corners you were not amused.  
Ooh  
I'm looking for clues -

You keep insisting that nobody showed you how to use  
the telephone  
Oh yeah -  
Nobody's gonna give you a second chance.  
Oh my -  
I don't have to make a living out of finding where the  
money goes

Oh yeah -  
We don't have to make a fuss every time we fence.  
Ooh  
I'm looking for clues -  
Looking for clues -  
Looking for clues -
