Oh, mercy, mercy me  
Oh, things ain't what they used to be  
No, no, where did all the blue skies go?  
Poison is the wind that blows  
From the north, West, south and east

Oh, mercy, mercy me  
Oh, things ain't what they used to be  
No, no, oil wasted on the oceans  
And our seas, fish full of mercury

Oh, mercy, mercy me  
Oh, things ain't what they used to be  
No, no, radiation underground and in the sky  
Animals and birds who live near by are dying

Oh, mercy, mercy me  
Oh, things ain't what they used to be  
No, no, what about this over-crowded land?  
How much more abuse from man can she stand?

I want you and I want you  
The right way, I want you  
But I want you to want me too  
Want you to want me, baby  
(Said I want you to love me)  
Just like I want you  
Ooh...

Oh, I'll give you all the love  
You want in return, sweet darlin'  
Your happiness is all I crave

Ooh, it's too bad  
It's just too sad

You don't want me now  
But I'm gonna change your mind  
Someway, somehow, baby

I want you, the right way  
I want you

But I want you to want me too  
I want you to want me, baby  
Just like I want you  
Ooh...

A one way love is just fantasy,  
Oh, sugar, to share is precious  
Pure and fair, ooh

Don't play with something  
You should cherish for your life, baby  
Don't you want to care?  
Lonely? I'm there... I want you!

Oh, mercy, mercy me  
Oh, things ain't what they used to be  
No, no, where did all the blue skies go?  
Poison is the wind that blows  
From the north, West, south and east

Oh, mercy, mercy me  
Oh, things ain't what they used to be  
No, no, what about this over-crowded land?  
How much more abuse from man can she stand?

I want you...
