Whoa, oh mercy mercy me  
Oh, things ain't what they used to be, no no  
Where did all the blue skies go?  
Poison is the wind that blows  
From the north and south and east  
Oh mercy mercy me  
Oh, things ain't what they used to be, no no  
Oil wasted on the oceans and our seas  
Ah, fish full of mercury  
Ah-ha, ah mercy mercy me  
Oh, things ain't what they used to be, no no  
Radiation underground and in the sky  
Animals and birds who live nearby all die  
Whoa mercy mercy me  
Oh, things ain't what they used to be  
What about this overcrowded land  
How much more abuse from man can she stand?  
I want you the right way  
I want you, but I want you to want me too  
Want you to want me baby  
Just like I want you  
Oh I'll give you all the love that you want in return,  
sweet darling  
Your happiness is all I crave  
It's too bad, it's just too sad  
You don't want me no more  
But I'm gonna change your mind  
Some way somehow baby  
I want you the right way  
I want you, but I want you to want me too  
I want you to want me baby  
Just like I want you, ooh  
Well one way love is just a fantasy, ah sugar  
To share is precious, pure and fair, ooh  
Don't play with something you should cherish for life,  
baby  
Don't you wanna care?  
Lonely out there  
I want you the right way  
I want you, but I want you to want me too  
Want you to want me baby  
Just like I want you, ooh
