Some guys have all the luck
Some guys have all the fun
Some guys have all the luck, all the luck
Oo, what you gonna do when your luck begins to run?

Oo oo hu hu hu
Oo oo hu hu hu
Oo oo hu hu hu hu hu

[Incomprehensible] such a lucky dog
(Lucky dog)
It's good luck, push it, ugh
(Good luck)
I get turned on by everythin' you do to me
(To me)
Don't say, "You shouldn't do that"
(Aa)
Push your hard luck, hard push it, ugh
(Ugh)

Ow, to take a kiss from lady luck tonight
Oh yeah, I want to so much
Ooh, the way it feels when you find out there's a pearl
in it
Girl the way it feels when you get it

Some guys have all the luck
Some guys get all the fun
Oh, I get to hear you talk, see you walk
Ooh, take me in your arms and let your luck begin to
run

I touch you, alright
I thought my luck had held until you fingered me
(Oo)
We make a right impression when you hold me tight
Wait for a break, my lucky charm
Things are lookin' up alright
(Alright)

Oh, to taste the lips of lady luck tonight
Oh yeah, I want to so much

Ooh, the way it feels when you find out there's a pearl
in it
Girl the way you squeal when you get it

Some guys have all the luck
Some guys get all the breaks
Oh, I get to roll my dice, ain't it nice
Ooo take me in your kitchen and we'll play for higher
stakes

Oo oo hu hu hu
Oo oo hu hu hu
Oo oo hu hu hu hu hu

Some guys have all the luck
Some guys get all the fun
Oh, I get to hear you talk, see you walk
Ooo take me in your arms and let your luck begin to run

Oo oo hu hu hu
Oo oo hu hu hu
Oo oo hu hu hu hu hu
