She says that love
Can turn friends into fools
Make 'em easy prey
Yeah, well, I feel like bending her rules
I don't want to deceive her

Want to make her a believer
But she don't trust nobody
Who says he feels that way?

Which of us is the fool, baby?
You can't win if you can't lose
Which of us is the fool?

Which of us is the fool, baby?
I would be hard-pushed to choose
Which of us is the fool?

She knows her heart
Is so easy to break
She's so scared to fall
Yeah, can she tell
How she makes my heart ache

I just want to hold her
But I know if I told her
She'd say I was just hurting myself
And it certainly feels that way

Which of us is the fool, baby?
You can't win if you can't lose
Which of us is the fool?

Which of us is the fool, baby?
We both fear lonely nights
Little girl, can that be right?

I just want to hold her
But I know if I told her
She'd say I was just hurting myself
And it certainly feels that way

Which of us is the fool, baby?
You can't win if you can't lose
Which of us is the fool?

Which of us is the fool, baby?
We both fear lonely nights
Little girl, can that be right?

Which of us, which of us
Which of us is the fool?

Which of us is the fool, baby?
We both fear lonely nights
Little girl, can that be right?

Which of us is the fool, baby?
You can't win if you can't lose
Which of us is the fool?
Which of us is the fool, baby?

Which of us is the fool?
Which of us is the fool?
