I was all at sea  
'Til you rescued me  
Saw through my charade  
Said, don't be afraid

My life was just pretense  
You won my confidence  
And came to my defense  
(You blow me away)

Saw through my masquerade  
You made me unafraid  
Broke down my barricade  
(You blow me away)

I didn't have a clue  
'Til I looked at you  
When I saw your face  
It all fell into place

Here in your arms  
What can I say  
All of your charms  
Blow me away

You must have been aware  
That this here love affair  
Could take us anywhere  
(You blow me away)

You washed my pain away  
I saw the light of day  
You helped me find a way  
(You blow me away)

I was all at sea  
'Til you rescued me  
Saw through my charade  
Said, don't be afraid

Here in your arms  
What can I say

All of your charms  
Blow me away

I was all at sea  
'Til you rescued me  
Saw through my charade  
Said, don't be afraid

My life was just pretense  
You won my confidence  
And came to my defense  
(You blow me away)

Saw through my masquerade  
You made me unafraid  
Broke down my barricade  
(You blow me away)

You must have been aware  
That this here love affair  
Could take us anywhere  
(You blow me away)

You washed my pain away  
I saw the light of day  
You helped me find a way  
(You blow me away)

You blow me away  
You blow me away
