Rumor has it, you're an angel
Let's see if the gossip's true
Force of will or force of nature
It's only a point of view

I've seen you dancing on the floor
They don't make them like you no more
Bye bye for now, I'll check you later
See you in a week or two

You can't, can't get too much of a good thing
I can't, can't get enough of you
I won't settle for less than you, girl
Because only the best will do, girl, oh

Okay, so you ain't no saint but I think that you're
heavenly
And I appreciate the rumors that came from
choreography
Last night when you came through the door
I swear I saw the wings you wore
Even though your halo slipped, I thank my lucky stars
for you

You can't, can't get too much of a good thing
I can't, can't get enough of you
I won't settle for less than you, girl
Because only the best will do, girl

I've seen you dancing on the floor
They don't make them like you no more

You can't, can't get too much of a good thing
I can't, can't get enough of you
I won't settle for less than you, girl
Because only the best will do, girl

I won't settle for less than you, girl
I won't settle for less than you
I won't settle for less than you, girl
I won't settle for less than you

I won't settle for less than you, girl
I won't settle for less than you
I won't settle for less than you, girl
I won't settle for less than you
