You're not the only one who feels so funky
You're not the only one that's out of work
You're not the only one that got a bum deal
You're not the only one on planet earth

Man you got it lucky more than most
You don't know when you're well off
You got no room to complain
Quit your moanin, we're all in the same boat
Your excuse is wearin' thin, you got no one else to
blame

You're tellin' me

You're not the only one gettin' busted
You're not the only one with income tax
You're not the only one who fels corrupted
You're not the only one that can't relax

Count your blessings, not your income tax
You're not the only one whose paying Uncle Sam
Quit yojr dumb complaining, take it back

I got news for you, pull up your socks
And get with the programme

You're not the only one with a disfunction
You're not the only one that's got the past
You're not the only one with no compunctions
You're not the only one that's strapped for cash

No room to survive

Man you got it lucky more than most
You don't know when you're well off
You got no room to complain
Quit your moanin, we're all in the same boat
Your excuse is wearin' thin, you got hell to pay

You're not the only one who feels so funky
You're not the only one, come on that's out of work
You're not the only one that got a bum deal

You're not the only one on planet earth
