Ha Ha Ha!  
Bitches, Ha!  
Bitches...

(Old Dirty Bastard)  
BITCH, at any moment, that's what I'll do  
[You fucking bitches]I'll do it to you  
And a few of your crew  
at any moment[Yeah], that's what I'll do  
[ICP, ODB]I'll do it to you  
And a few of your crew  
[Bitcheesssss!]

(1st Verse- Violent J)  
BITCH! WHAT THE FUCK?!  
What are you trying to do to me?  
You wasn't true to me  
When I was locked up you fucked something like 35  
guys  
[Rrrghh!]But I let that slide  
'Cuz your ass is big, and your titties is fat  
I wanted to FUCK THAT  
But FUCK THAT  
I never gave a FUCK THAT, you put me through the  
courts [AND?]  
And gave me genital warts  
Now I stack my .9, I'm goin' for the knees  
I'ma blow 'em out and give your neck a squeeze  
[Agggghh! Whoo!]As you're standing there, I'ma be  
like BITCH!  
[Ha ha!]You know you done fucked up, right?

(Chorus- Violent J)  
Girl you know I love you, but now you gotta die  
[Now you gotta die, now you gotta die]  
Girl you know I love you, but now you gotta DIE  
[Never wanted it like that] (x2)

(2nd Verse- Old Dirty Bastard)

Bitch, don't talk about bitches I'm fucking them  
Please no fat bitches I'm fucking slim  
Unless it's one of those likes stroking my shit  
I don't care 'bout how I'm fucking it  
How much it costs, big fat...crackhead?  
Ain't trying to hear all those words you said  
Five minutes, bitch [ahhhh] and I came  
Fuck your name, and from where you came

I don't give a fuck, bitch! I will kill you!  
You Shaquita! You Belinda! You too Passion...BITCH!

(Chorus)  
[Ahhhhh....you bitches!!!]

(3rd Verse- Shaggy2Dope)  
One thing I can't stand is these bitches  
Trying to take my riches, when I ain't even got none  
[Bitch!]  
I never lied, you knew what I wanted all the while  
[what?]  
My dick in your vertical smile [yeah]  
We kiss and hug, and snugg, and tickle  
But the bitch wouldn't even buff my fucking pickle  
[bitch]  
You fucked everybody else in the place, it's all good  
Now let me head-butt your face!

Bitch! I love you, but now you gotta die  
that's right [Bitches!], that's right  
Girl you know I love you, but now you gotta die  
[Bitches? Bitcheeesss!]

(Chorus x3)  
Girl you know I love you, you dumb bitch!
