Riding down the freeway
Sunshine coming our way.
Checking out the guys,
While we're grooving to the summer sound.
It's all right, yeah, it's alright

Stop off at the shopping mall
Top up on cholesterol
Give me soda make it tall
Buy myself a volley ball
It's alright, hmmm, yeah it's alright.

Ok, we didn't make our grade
Do u have to make us pay with our precious holiday.
So cruel, and so un - cool
Do anything you want with us but please no summer
school!

(Chorus)
Young, free you and me
Summer camp ain't never gonna get me
Young, free you and me
Summer camp ain't never gonna get me.

Sun dop down and lip gloss on
This is how we cruise along
Nightmares over school is done
We're heading for the summer sound
It's alright oh yeah!

Ok, we didn't make our grade
Do u have to make us pay with our precious holiday.
So cruel, and so un - cool
Do anything you want with us but please no summer
school!

(Chorus)
Young, free you and me
Summer camp ain't never gonna get me
Young, free you and me
Summer camp ain't never gonna get me.

Young, free you and me
Summer camp ain't never gonna get me
Young, free you and me
Summer camp ain't never gonna get me.

Never gonna get me never gonna get me.

Never gonna get me! no

Young, free you and me
Summer camp ain't never gonna get me
Young, free you and me
Summer camp ain't never gonna get me.

Oh yeah, yeah yeah baby yeah!!!!
You're never gonna get me, no, no, no

Young, free you and me
Summer camp ain't never gonna get me
Young, free you and me
Summer camp ain't never gonna get me.

Repeat 2 fade
