It's late, it's creepy, feelin' kinda freaky
All alone in the car - who knows where we are
See that sign we just passed?
It said don't trespass
We're running outta gas, get out of here fast
There's a house - over there
You can knock if ya dare
Voices and shadows comin' through the windows
Some ones heading for the door
If he's weird then he's yours

Hammer house part at Amityville
We're ready for you an' dressed to kill
Peek-a-boo!
There's a mummy in armani
And a ghost that walks right through you (so rude)
Peek-a-boo (sounds like Pikachu)
Dancin' with a zombie
Those guys sure know how to party

We've crashed a party - a party - a real monster party
Hear the bass is pumpin' - the place is really jumpin'
Say hey! Green boy from outta space
Gotta real nice place you - shame about the face!
Voodoo man over there wants to shrink your pumpkin
head
Freddy Kruger's coming out to get ya
That's O.K., it's alright you
In the crypt tonight

Hammer house part at Amityville
We're ready for you an' dressed to kill

Peek-a-boo!
There's a mummy in armani
And a ghost that walks right through you (so rude)
Peek-a-boo (sounds like Pikachu)
Dancin' with a zombie
Those guys sure know how to party
Boo! - Chuckys swingin' from the chandelier
Bo-hoo! - Lizard man cries crocodile tears
Ahhoohh! - Wolfman sure got shiney teeth

All the better to eat you with!
Peek-a-boo!
There's a mummy in armani
And a ghost that walks right through you (so rude)
Peek-a-boo (sounds like Pikachu)
Dancin' with a zombie
Those guys sure know how to party

Caspers a sap!
Ahh don't say that you're so mean!
