Sittin' in class is a pain in the neck  
Hows about me taking a three year raincheck  
Gonna do what I want don't wanna graduate  
Gonna take a break from everything that I hate

Hey there teacher  
I'm talking to you  
You can't tell me what to do!

Schools out for the summer  
Schools for ever  
Schools blown to pieces

Head strain - brain drain  
School is such a pain!  
No tears - all cheer  
We want out of here!

Don't care 'bout no popularity crown  
The prom king an' queen are just a couple of clowns  
We can read an' we can write  
What we need to know is where's the party tonight  
Hey there teacher  
I'm talking to you  
You can't tell me what to do!

Schools out for summer  
(Wonna take a vacation from education)  
Schools for ever  
(Getta qualification in relaxation)

No more pencils, no more books  
No more teachers, dirty looks  
Out for summer  
Out 'til fall  
We might not go back at all

Schools out for the summer  
Schools for ever  
Schools blown to pieces  
Schools out for the summer
