You both made your bed and now  
You're gonna have to sleep there  
Old Man Blues is goin' to try  
Try to find you everywhere  
[Don't look back] oh, you better not look now  
[Don't look back] he's coming for you  
[Don't look back] keep on running  
Running till the end of time, oh yeah  
If you both have faith you'll find  
A sunny day  
Don't be bothered by what  
Smaller minds have got to say, just  
[Don't look back] oh, you better not look now  
[Don't look back] he's coming after you  
[Don't look back] you gotta keep running, yeah  
Running till the end of time, yeah  
[One thing I wanna say]  
[One thing I wanna say] wanna say now  
[One thing I wanna say] oh yeah  
[One thing I wanna say]  
Talk, talk, talk, talking trash  
Talk, talk, talking trash  
Truth is the light [truth is the light]  
The light is the way [light is the way]  
The less folk know [the less they know]  
The more they've got to say [yeah, yeah]  
And if you want me to [uh-huh]  
Here's what I'll do for you [all right]  
I'll light a candle and I'll pray  
The Lord will bless you  
I hope that someday He will understand  
But till they do  
[Don't look back] oh, you better not look now  
[Don't look back] he's coming after you  
[Don't look back] you gotta keep running, yeah  
Running till the end of time, oh yeah  
[Don't look back] oh, you better not look now  
[Don't look back] he's coming after you  
[Don't look back] you'd better keep running, yeah  
Running till the end of time, oh yeah  
Truth is the light  
The light is the way

The less folk know  
The more they have to say
