Carry me down to the sea Carry me down where they're
waiting for me

That's where I want to be That's where it all comes
around

Watching the ships pass by me Friendships and small
ships and hardships and dreams

That's where I want to be Here where it all comes
around

Oh, my head is in the sand All my life passin' by
All of my days I have seen All of the tears and the
laughter and dreams

Movin' before me Waves and the ocean and sea
Life is a big tambourine The more that you shake it the
better it seems

This is my [not] wisdom These are just words from the
sea

Oh my head is in the sand All my days passin' by
When I get older, settlin' down Would you come down
to the sea

Ah-ha Carry me down to the sea again, ah-ha

Oh, carry me down to the sea again, ah-ha, ah-ha

Carry me down to the sea again, ah-ha, ah-ho

Carry me down to the sea again

Carry me down, carry me down,

Carry me down to the sea again

Carry me down, carry me down,

Carry me down to the sea, ah-ha, ah-ha

Won't-you-please, carry me down

Please, carry me down

Come on come on come on come on come on

Down down down to the sea, again, yes
