Went to the fourtune teller
had my fourtune read
I didnt know what to tell her
I had a dizzy felling in my head

Took a look at my palm
she said son you feel kinda warm
she looked into a crystal ball
she said you're in love
how could that be so of all the girls i know
she said when the next one arrives you'll be looking
into her eyes

Left there in a hurry
looking forward to my big surprise
the next day i discovered
that the fourtune teller told me a lie
I hurried back down to that woman as mad as i could
be
I said i didnt see nobody why had she made a fool out
me
and then something struck me
as if it came from up above
while looking at the fourtune teller
I fell in love

Now im a happy fella, cause im married to the fourtune
teller
im as happy as we can be
and now i get my fourtune told for free

ooooh...yes i did
