The Father, son and the Holy Ghost  
Took the last train to the coast  
They were moving fast, they were raising sand  
And they were running wild in the Promised Land

The father, Son and the three wise men  
Operating undercover out in Bethlehem  
Will they heal the sick? Can they raise the dead?  
Can they bring it on home like the good book said?

Billy Kid told the Prince of Thieves  
A little give and take to satisfy my needs  
Well you can give me lots but I'll take some more  
I got my eyes on your treasure 'neath the desert floor

Ooh yeah  
[Incomprehensible]

Freedom fries and burns and scars  
Liberator goes too far  
Freedom fries and screams and yells  
The Promised Land is promised hell, oh yeah, oh yeah
