Great Spirit come, Great Spirit come

Who has chased away the moonbeams?
Who has pulled a blanket across the sky?
Who will sing in celebration
Throughout this land that's bound to die?

Great Spirit come, Great Spirit come
(Oh, that's bound to die)

Who will put an end to all this sadness?
Who hears the Earth that cries beneath the burning
rain?
All truth reduced to piles of greed and madness
The accident remains the same

Great Spirit come, Great Spirit come
(Oh, always the same)

Mmm, said, "It's alright, it seems okay"
Robbery and evil and the stealing
From the body and the mind for the healing
Of the spirit, pride and the will
And the will, and the will of the land

Grace, courage, honesty and love
(Will of the land)
Grace, courage, honesty and love
(There's evil, there's evil, there's evil going on)

Great Spirit come, Great Spirit come

I love my brother, I must share the seed
That falls through fortune at my feet
The Fate of Nations and of all their need
Lies trapped inside of these hearts of greed

Ooh, oh yeah, oh ooh, ooh ooh

Great Spirit come, Great Spirit come
(Great Spirit come, come on, come on)
Great Spirit come, Great Spirit come

(Ooh yeah)

(Ooh yeah)

Grace, courage, honesty and love

(Great Spirit come)

Grace, courage, honesty and love

(Come on, come on, come on, come on)

Come on, come on, come on)

Great Spirit

(The will of the land)

Great Spirit, Great Spirit come

(The will of the land)

Ooh, we'll sing in celebration, ooh, we'll sing in
celebration

Ooh, sing in celebration, celebration

Now, now, now, now, now, now, now sing in celebration
