She's the girl of my dreams
She's the girl on my mind She's got plenty for the fool
'Cos she's the hurting kind
I lost my heart in the East Another part in the West
You better jump back baby You're the girl I love the best
I'm gonna ride the wind There's nothing I won't do
I'm coming up real fast I got my eyes on you,
Yeah See you're eyes of love Well tell me what you see
I see your long black hair Moving over me, yeah
Oh yes, I feel good now now
Let's talk about love, let's talk about love Let's talk
about love, let's talk about it
Alright, alright, alright, I got my eyes on you
Alright, alright, alright, I got my eyes on you, yeah
With my heart over here Another part over there
I still got pretty love And baby I don't care
Oh, let's talk about love, let's talk about love
Let's talk about love, Alright, alright, alright, I got my
eyes on you
Alright, alright, alright, I got my eyes on you
Yeah, oh, oh, let's talk about it, aah!
Don't blame me Oh, won't hurt you Don't blame me
It's plain to see you know that it'll be Yeah, oh, oooooh!
Aah, aah, aah She's the girl of my dreams She's the
girl on my mind
She's got plenty for the fool The hurting kind
Gonna round the world Nothing I won't do
Coming up real fast I got my eyes on you
Alright, alright, alright, I got my eyes on you
Alright, alright, alright, I got my eyes on you
Alright, alright, alright, I got my eyes on you
Alright, alright, alright, I got my eyes on you
Alright, alright, alright, I got my eyes on you Oooh!
Alright, alright, alright, I got my eyes on you
Alright, alright, alright, I got my eyes o
