I'm in the mood for a melody  
I'm in the mood for a melody  
I'm in the mood

(repeat 2x)

I can make you dance  
I can make you sing  
I can make you dance  
I can make you sing  
if you want me to

Oh, I can make you dance  
I can make you sing  
I can make you dance  
I can make you sing  
if you want me to

(repeat)

Any little song that  
you wanna to sing  
A little song that  
you wanna to sing  
song will do

Here's a little song  
that you wanna to sing  
A little song that

you wanna to sing  
song for you

A little song that  
you wanna to sing  
A little song that  
you wanna to sing  
Happy or blue

I'm in the mood  
I'm in the mood  
I'm in the mood

Why'd I end up doin' it  
doin' it, doin' it?  
Do anything that  
you want me for  
if you want me to  
Do it right, gonna do it wrong  
Cause a matter of fact  
it'll turn out to be strong  
if you want me to  
if you want me to  
Oh, if you want me to  
if you want me to  
if you want to
