Fires fall, winds blow  
There's trouble and it won't go  
I'd really like to help you but you know

Truth twists, liars dance  
Money money Greed chant  
Let's take a little more before we go

'Cause we won't be back again  
No, we won't be back again

Trees cry, men bow  
Kneel before the fatted cow  
Take a little 'Moo' before we go

We won't be back again  
No, we won't be back again  
Oh, we won't be back again, again, again, again

Oh, talkin' about, talkin' about  
Talkin' about, talkin' about  
Talkin' about, talkin' about

Talkin' about, yeah, talkin' about  
Talkin' about, talkin' about, yeah yeah  
Talkin' about, talkin' about

Tell me Jesus what to do  
Oh, there's a little time for me and none for you  
Just leave for the lady there who's sure

She won't be back again  
I know she won't be back again  
I'm sure she won't be back again  
Oh, she won't be back again
