Little by little
my heart grieves
Little by little
I call your name
Little by little
my tears fall
Little by little
everything changes

Little by little
the time goes
Little by little
the days pass by
Little by little
the air clears
Little by little
I can breathe again

I can breathe again
I can breathe again now
I can breathe again

Back at the mirror
your good friend
Talk to the mirror
to play out your game
Slap in the middle
I stop then
look at the winner
and the price you pay
Hum! Cold was the winter
I tremble
Long was the fall
that had no end
Now little by little
the air clears
Little by little

I can breathe
I can breathe again, now
I can breathe again
I can breathe again, now

Call your name
Call your name
Call your name
Call your name

Everything changes
Everything changes
I call your name

Oh, I can breathe again
I can breathe again
I can breathe again
I can breathe again
Ooh ooh
Little by Little
