On my mind all my talk
From the lips of so many memories
Sun, breaks the cool
Are you lost without a clue?

Stars still shine winds will howl
Oh my friends sense you now
Strange, so very strange

Ooh, yeah on my mind all my talk
From the lips of so many memories
Sun, breaks the cool
Are you lost without the clue?

Remain divided, had our day
The help provided the sad display

Hello, hello, hello I saw you once before
In my dreams you've come to call
You are my friend, you are my friend

You touch my soul ooh, ooh
You touch my soul, ooh, hello, hello, hello
Ooh, hello, hello, hello-oh

Oh, yeah, yeah, yeah, yeah
Oh, yeah, yeah, yeah, oh
So strange, so very strange, now

C-c-come on, come on, come on, come on
Ooh come on, ooh yeah
You are my friend, you are my friend, ooh, ooh
