Lay down your arms, oh
Now baby, let me sleep at night
Lay down your arms baby, oh
I'll make everything all right

Words you been using hurtin' me so
Some day you're gonna regret
Way friends are talkin', guess you'll never know
This battle ain't been won yet

Lay down your arms baby, oh, oh
When the deal is done
Lay down your arms, child
Used to be your only one

Weapon you're using is hurtin' me bad
What do you hope to achieve?
I said your fighting is leaving me sad
That's not the way it should be

So if I find a love, oh, if I find a way
Oh, if I find a dream, oh, if I find a way
You know that I will
Yes, you know

Lay down your arms, oh
Please release me, let me go
Lay down your arms, baby
Now surrender to me, don't you go

If I find a love, oh oh, if I find a way, oh, oh
If I find a dream, oh, oh, if I find a way
You know that I, you know that I
You know I will, but you know, oh

She's gone, she's gone
(I'm not a prisoner of the big parade)
She's gone, gone, gone
(I'm not a prisoner of the big parade)

She's gone, she's gone, gone
(I'm not a prisoner of the big parade)

She's gone, she's gone
(No, I'm not, no I'm not)

Oh, oh, my baby's gone
(Lay down your arms)
I don't know where I'm gonna find her
'Cause my baby's gone
(Lay down your arms)

Is she over here? Is she over there? Is she over here?
Yes I know, oh, I gotta find her
Oh, is she here? Is she there?
I really [Incomprehensible], I wanna find her

(Lay down your arms)
Lay down your arms child
(Just lay down your arms)
