Oh baby, can't eat, can't sleep
Can't understand a love song
You drive me crazy 'cause my feet won't quit
As I go slidin' in the sweet zone

Round, round like you want me to do
Down, down like you're beggin' me to
The floor's small and the wall's too steep
I can kiss your mouth when I go to sleep

Oh baby, got those personal moves
So deep inside my move groove
I go crazy, my head won't quit
As I crawl inside your love groove

Down, down like you want me to do
Round, round like you're beggin' me to
The floor's small and it's much too steep
I can kiss your mouth when I go to sleep

I feel alright, 'cause my little girl
Wants to dance all night
What can I do? I know my little girl
Wants to dance with you

Ohh yes

Oh darlin', come on baby
Come on and mess with me
Oh woman, I'll make it up to you
If you just drive me wild, child

Down, down like you want me to do
Round, round like you're daring me to
The floor's small and the wall's too steep
I can kiss your mouth when I go to sleep

I feel alright because my little girl
Wants to dance all night
Oh, what can I do? I know my little girl
She wants to dance with you

I feel alright, my little girl
Wants to dance all night
Oh, what can I do? I know that girl
She wants to dance, dance, dance

Round, round like you want me to do
Down, down, you're beggin' me to
The floor's small and much too steep
I can kiss your mouth as I go to sleep

I feel alright 'cause my little girl
She wants to dance all night
All my life, you know my little girl
She wants to dance, dance, dance all night

I feel alright, oh, my little girl
She wants to dance all night now
What can I do, oh?
Oh, my little girl wants to dance

Come on dance with me, baby
Come on dance with me, baby

Ohh, well well well well well
Ooh ooh ooh ooh
I gotta keep movin'
I gotta keep movin'
Blues fallin' down like hail
