Well he's bringing us peace and hew honor
In the land of the lost and found
He's just another highwayman but the promise in his
hand
Is wrapped up in red white and blue
Oh, wrapped up in red white and blue

He speaks for youth the world over
Though his words seemed a little askew
From his home on the range, he may seem a little
strange,
And he's dressed up in red, white and blue,
Oh, he's dressed up in red, white and blue.
Oh, ho, ho

And he speaks up for god and for country
Yes he's steadfast, loyal and true
In the land of the free with his banjo on his knee
He will sing out the red, white and blue
Sing out the red, white and blue
Sing sing sing sing

Oh, 'bout the freedom
'Bout the liberty
'Bout the kindness

And he deals for the righteous and holy
Don't go messin with that kid for me
He's a son of the gun when you want your doin' done
In the name of the RWB
In the name of the RWB
Sing sing sing sing

Oh 'bout the freedom
Mmmm 'bout the equality
Oh 'bout the color of your skin
The conservatism within
Sing sing sing
Sing sing sing

Ah ah ah

Ah ah ah
Ahhh
Oo oo oo

'Bout the freedom
