Sundown, another busy day  
watching the time fly  
Old ground standing in the way  
and I don't know why  
So here I am making changes  
alterations to my house of cards  
But I don't hold new arrangements  
Am I at home, am I at home  
am I, am I alright?

Look down, almost with breath  
held as the time flies  
I found, I'm lost in your  
reflection I don't know why  
I'm so behind in my repayments  
consideration must be overdue  
But I'm at sixes with the statements  
Am I at six, am I at six  
am I - ooh?

Now the twist of fortune  
wasn't in the plans  
And my desire for living  
To do the best I can  
To do the best I can  
To do the best I can

Oh oh oh yeah

Sometimes I nearly always drop  
but then I get through  
And each time it comes as a  
surprise what they should do  
Oh, another drain of my resources  
Information's getting out of hand  
I'm at home with all the courses  
Am I at home, am I at home  
am I, am I, am I?

Talk to me, talk to me yes  
Talk to me, oh now  
it gets so hard

Gets so hard  
Just a little bit hard  
when you talk to me like you do  
Just a little bit hard  
when you talk to me like you do  
Just a little bit hard  
when you talk to me like you do  
Just a little bit  
Just a little bit  
Just a little bit
