"Stick With Me Baby"

Everybody's been a-talkin';
they say our love wasn't real
That it would soon be over;
that's not the way I feel
But I don't worry, honey;
let them say what they may
Come on and stick with me, baby;
we'll find a way
Yes, we'll find a way

Everybody's been a-talkin';
yes, the news travels fast
They said the fire would stop burnin',
that the flame wouldn't last
But I don't worry, honey;
let them say what they may
Come on and stick with me, baby;
we'll find a way
Yes, we'll find a way
