Good morning!  
What we have in mind is breakfast in bed for four  
hundred thousand!  
Tie dye on the highway  
See the garlands in your hair  
If you're goin' my way, come along  
What a beautiful sky at we just have to stop and stare  
See the beautiful colours fill the air  
(Just a messengers of peace)  
Oh do you remember across the burning years  
Sweet smell of the mystery, I recall  
Hey, mi amigo,  
With a smile through all my fears  
Old how it lingers, touched our souls  
With the messengers of peace  
And the company of love  
All the Passion and release  
And the love from up above  
Aah, Say you will come back with me  
Say you will come back  
We must be in heaven man!  
Oh yeah, now come on  
Tie dye on the highway  
The wheels still turning round  
Dance the MARIACHI Take my hand

Hope springs eternal and laughter spilling sound  
Movin in the mystic wasted land  
With the messenger of peace  
And the company of love  
All the fashion that release  
And the love will never die  
You know that it is true  
From the desert in my heart  
With the innocence of love  
All the fashion that release  
And the love will never die  
Aah, Say you will come back with me Say you will come  
back  
Aah Say you will come back with me Say you will come  
back  
THREE DAYS! THREE DAYS!

WE JUST love you! WE JUST love you!
