I remember I was young
Not that I'm old, but I was young
I have lost all my sense
I'm a bit wiser, but lost my sense

And I know a few more lovely people
I can leave out
But I don't
'Cause that's not what I want
And I know a few more lovely people
I can leave out
But that's not what I want

I remember I was a smile
Now I hide, I used to smile
It is because of all hurry I have learned
To live by

I want to relax, cool down and think
'Everything is fine'
But it's not
It isn't like that right now
I want to relax, cool down and think
'Everything is fine'
But it isn't like that right now

I remember I was right
Not that I'm wrong, but I was right
I remember I was strong
Not that I'm weak, but I was strong

I believe that I should try hard
One more time and sing
'Everything is fine'
But it's not
It isn't like that right now
I believe that I should try hard
One more time and sing
'Everything is fine'
