1)

She's seeking tenderness,
but in this cold cruel world
finding nothing but stress
or a lover on line.
No one to hold her hand,
it's just a one night stand.

2)

But tell me,
what is happening to our hearts;
I'd really like to know.
We're becoming withdrawn;
We're losing contact;
We're more like strangers,
and she's grown weary of this life.

Refrain: Oh when i think
of the beauty
of love between just two;
Be they man or woman
no matter what they say.

3)

But the amount of love
i hold for her in me,
will save her from this life
that makes us grow so cold.

4)

Everyday my heart bleeds
into the void she left.
Life is sadder without
you and me and us .

End

Everyday my heart bleeds

into the void she left.
Life is sadder without
you and me and us .

what is happening to our hearts;
I'd really like to know.
We're becoming withdrawn;
We're losing contact;
We're more like strangers,
and she's grown weary of this life.

Refrain: Oh when i think
of the beauty
of love between just two;
Be they man or woman
no matter what they say.

repeat: 3) 4) 3) 4)
