At last

My love has come along

My lonely days are over

And life is like a song.

At last

The skies above are blue

My heart was wrapped up in clover

The night I looked at you.

I found a dream that I could speak to,  
A dream that I can call my own.

I found a thrill to press my cheek to

A thrill that I have never known.

Oh, you smiled. . .

You smiled and then the spell was cast

Now here we are in heaven

For you are mine at last.
