Out of line  
We are fools  
To be under the night light again  
And I, I admit we've come so far from the good fight

Please, please, just say something sweet  
And keep it simple, keep it shallow  
Don't, don't you dare say word  
That will shake up, shake up my bones

Whoooa, whooa  
Put your back into it  
Put your back into it  
Whoooa, whooa  
You can do it better  
You can do it better

Tell me, what's the point?  
But your eyes will tell me everything  
When you try to smile  
No one here is getting through to you  
Your eyes have been deceiving  
For another mistake

Please, please, just say something sweet  
And keep it simple, keep it shallow  
Don't, don't you dare say word  
That will shake my bones

Whoooa, whooa  
Put your back into it  
Put your back into it  
Whoooa, whooa  
You can do it better  
You can do it better  
[x2]

Ohhhh, ohhh, ohhhh ...  
Ohhhh, ohhh, oh, oh  
[x2]
