Nothing below but the sky on it's own
Nowhere to go this time
I am the desperation of an imaginary day
The sentiment of the other side.
Prisioned again on this crazy little world,
Memories today disappear
So many days go by...
And nothing is ever clear

I'm here, so care for me
Laugh of me
While I'm near, smile just for a while

I'm here, so die with me
Smile with me
While I'm near, smile just for a while
Oh sweet life yours of many miles

I don't wanna die
Don't really wanna cry
Oh... yeah well...

Songbirds and roosters are dancing in my veins
Laughing away in my mind
There will always be illusion
It's the wicked way of the other side

I'm here so care for me
Laugh of me
While I'm near smile just for a while
Oh sweet life yours of many miles

I'm here so care for me
Die with me
While I'm near smile just for a while
Oh sweet life from your so many miles

Well oh well oh well...
I don't wanna die, don't wanna cry
I don't wanna die...
I don't wanna die...
