"The way your eyes look into mine, makes me wonder...  
I wonder what it would be like...  
The way your words roll off your tongue, leaves me  
wonderin'...  
I wonder how it feels inside...  
The way your eyes look into mine, makes me wonder...  
I wonder what it would be like...  
The way your words roll off your tongue, leaves me  
wonderin'...  
I wonder how it feels inside (x3)  
I can see what you're missin', I have somethin' new, to  
decide for me  
The time is right.. you keep me wonderin' ( wonderin'  
echoes)  
Will wonder? (x3)  
The way your eyes look into mine, makes me wonder...  
I wonder what it would be like  
The way your words roll off your tongue, leaves me  
wonderin'...  
I wonder how it feels inside (x2)"
