Here is love vast as the ocean, loving kindness as a flood
On the mount of crucifixion, fountains opened deep and wide
When the prince of life our ransom, shed for us His precious blood
Through the floodgates of God's mercy, flowed a vast and gracious tide

Who his love will not remember, who can cease to sing His praise?
Grace and love like mighty rivers, flowed a incessant from above
He will never be forgotten, throughout heaven's eternal days
Heavens peace and perfect justice, kissed a guilty world with love
