(Lil' Wayne)

Hey mama

Kick him out da bed I'm coming over

Got something to show ya behold ya eyes

I juz wana hold u, just hold you tight

Like a four leaf clover I be goin thru

Your flowers baby, ur gardens open

A sight for sore eyes

Good lord I'm focused

I can hardly notice anything other then a woman with a  
face of my future baby mother

(Robin Thicke)

Im a big man she's a big girl

Put on them heels and put on that skirt

She wants to get naughty we can get bad

Shes a good girl with the good girl dance

Im ice cream she's a hot swirl

We can get married and live in our world

Lets play rough we can get wild

I could go home but I'll stay

Cheat but I wont

(Lil' Wayne)

So i go by weezy love me or leave me

I hate to leave her

I think I need her

She's such a teaser

Such a diva

I could park it right here baby the fuck ya need a?

Do it to me baby I could be your reciever

Call me in the last minute I could be your believer

Call me at the last minute I be that even

Late night, early morning, or maybe this evening

(Robin Thicke)

She ain't no stunt she aint no philly

I wanna get mad but then not really

Cause she's so fly I could get mine

But I do it much better with her by my side

Loves alright

We gone get blitzed tonight

All my girls wanna make that money  
All my thugs wanna take that money  
All night long Im a milk that honey so

All night long I wait 4 your lovin babe  
All night long I wait 2 tear u 2 pieces  
All night long I wait 4 your lovin babe  
All night long I wait all night long  
All night long I wait  
2 see u naked  
And watch the sunrise in your face  
All night long I wait 4 u 2 play  
And let my open arms take u away  
(Lil'Wanye)  
Ye ya ya she said she want to, be the one I get next to  
Yes boo, lets do that who that? you that  
When I want to be the one I get next to  
Lets move, get you to the crib  
Now I see you was the  
One I want to give sex to  
Sex you  
Sexy you  
You sexy devil you,  
Angel  
Lookin like your single  
Thank you  
Have yourself a drink, I  
Drink too saw you when I came through  
Now I can't do nothing if it ain't you  
Its wayne boo, I don't do what them lames do  
I come at you from a whole nother angle  
Now one time for the ladies in the high skirt  
Two times for the ladies in the tight jeans  
Three times for the ladies who ain't got no panties on  
Lets go home

(Robin Thicke)  
All night long I wait 4 your lovin babe  
All night long I wait 2 tear u 2 pieces  
All night long I wait 4 your lovin babe  
All night long I wait all night long  
All night long I wait  
2 see u naked  
And watch the sunrise in your face  
All night long I wait 4 u 2 play  
And let my open arms take u away
