Oooooh ohh yeah

Ohh ohh

Hey, girl

I've been thinking

About you in see-through secrets

Crawling on my thousand thread count

Down, down, down

Play, play hard to get it

'Cause you know I love to chase that

Till you push me on the bed and start your show

Baby 'cause I'm all tied up

Inside, come save me

I get lonely (I get lonely)

I get blue (I get blue)

I want you baby (I want you baby)

I need you (all I need is you)

'Cause I'm all tied up (ohh yeah yeah yeah ooh)

Inside, come save me

I get lonely (come save me)

I get blue (come save me)

I want you baby (come on baby)

I need you (all I need is you)

Lay, lay across my pillow

As you make love to my ego

And you always treat me like a superstar

Oh, I'm so obsessed you,

Know I'm such a mess

But, when I see you get undressed and

Start your show

Baby 'cause I'm all tied up

Inside, come save me

I get lonely (I get lonely)

I get blue (I get blue)

I want you baby (I want you baby)

I need you (all I need is you)

'Cause I'm all tied up (hey yeah yeah yeah yey)

Inside, come save me

I get lonely (come save me)  
I get blue (come save me)  
I want you baby (all I...)  
I need you (all I need is your love)

(I'm all tied up) girl, I'm so locked up inside  
(I get blue) Ooh I need you, you got the key baby,  
Only you can release me now (ooh)  
(I'm all tied up) I need your love, ooh I need you to save  
me baby  
(I need you) ooh you got the key, come on and set me  
free

Baby 'cause I'm all tied up  
Inside, come save me (uhh)  
I get lonely (I get lonely)  
I get blue (I get blue)  
I want you baby (I want you baby)  
I need you (all I need is you)  
'Cause I'm all tied up (ohh yeah yeah yeeiiii)  
Inside, come save me  
I get lonely (come save me)  
I get blue (come save me)  
I want you baby (all I...)  
I need you (all I need is you)

Baby 'cause I'm all tied up (all tied up)  
Inside, come save me (I'm all tied up) (all tied up)  
I get lonely (I'm so lonely)  
I get blue (I get blue)  
I want you baby (come on save me baby)  
I need you (nothing without you)  
'Cause I'm all tied up (ohh yeah yeah yeeaahhh)  
Inside, come save me  
I get lonely (come on just save me)  
I get blue (come on just save me)  
I want you baby (come on just save me)  
I need you (I need your love)
