Nothin' can make you high
But put fire in your eyes
I'll give you a chance to fly
When you need the wings

When all that you've got is doubt
And nothin' can stop you from feelin' down
But oh, I know
I know exactly how you feel

But can u believe now
When you're on your knees now?
Beggin' and pleadin' now
Can u believe?

When all that you've got is doubt
And no one for you, oh
And your heart is slowin' down
Can u believe?

See, the person I love the most
Is so far away tonight
And no other medicine or promises
Gonna heal me up right

But I got to believe
The hurry, be, will be together
'Cause that's all I got

And oh, I know
When you're down at the bottom
Can u believe?

Can u believe now
When you're on your knees now?
Beggin' and pleadin' now
Can u believe?

When all that you've got is doubt
And no workin' for you, oh
When your heart is slowin' down
Can u believe?

Can u believe
When all hope seems gone?
When your mother, father
Can't keep you safe from harm?

Can you forgive in your heart?
Can you ask for forgiveness?
When nobody else believes
Can you be free?
Can u believe in yourself?

Can u believe?
When all that you've got is doubt
And no one to pull you out
And your heart is slowin' down
Can u believe?

If nobody's watchin'
You will never know
If somebody's watchin'
You will never know

If nobody's watchin'
You will never know
If somebody's watchin'
You will never know

If nobody's watchin'
You will never know
If somebody's watchin'
You will never know

Can u believe
When you're on your knees now?
Beggin' and pleadin' now
And your heart is slowin' down
Can u believe?
